**Sleek Design**  
The slim rocker design exudes elegance, lending a classy aesthetic to these switches.

**Polycarbonate Material**

*Touch of Luxury*

## Tactile Cushion Technology

New Tactile Cushion Technology changes the way switches work by making them soft and quiet with very little noise. This advanced design makes switches smoother and easier to use, giving you a better feel every time you touch them. With much less noise, your experience becomes more pleasant and comfortable. Get ready to enjoy the "Touch of Luxury" with our innovative technology.
